c/o East Contra Costa County Habitat Conservancy
(Lead Agency)
30 Muir Road
Martinez, CA 94553

County Clerk
County of: Contra Costa

Project Title: Phillips 66 Line 200 Anomaly Investigation and Repair – Winter 2022

Project Applicant: Phillips 66 Pipeline, LLC

Project Location – Specific: 5.42± miles south of the town of Byron; Lat: 37.791526, Long: -121.664340, Lat: 37.791635, Long: -121.664597, and Lat: 37.792105, Long: -121.665625

Project Location – City: Unincorporated **Project Location – County:** Contra Costa

Description of Nature, Purpose and Beneficiaries of Project: Phillips 66 Pipeline, LLC (P66) is proposing to conduct anomaly investigation and repairs at three dig locations to address four anomalies along the existing Line 200 Mainline trunk pipeline in eastern Contra Costa County. The P66 Line 200 pipeline transports crude oil from Kern County to the P66 refinery in Rodeo, CA. This pipeline is regulated by the federal Department of Transportation (DOT), Resource and Special Programs Administration's Office of Pipeline Safety pursuant to 49 CFR, Part 195.452, which requires P66 to conduct regular inspections and maintenance on its pipeline. This Winter 2022 Project will allow P66 to conduct needed inspection and maintenance actions on Line 200 to maintain its structural integrity. The dig will involve temporary impacts to relatively small work areas and access to sites are over existing gravel and dirt roads.

The Conservancy Board's decision to authorize the Executive Director to execute a Participating Special Entity Agreement with Phillips 66 Pipeline, LLC for this Project and to extend take coverage is a discretionary action.

Name of Public Agency Approving Project: East Contra Costa County Habitat Conservancy

Name of Person or Agency Carrying Out Project: Phillips 66 Pipeline, LLC

Exempt Status:

- Ministerial Project (Sec. 21080(b) (1); 15268;
